Keep your iPad Air or iPad (new) streamlined and protected with the Pango[ii]. The first of the new [ii] Series, the Pango[ii] gives you all the protection you'd expect from Maroo, while eliminating the extra bulk that a full case adds to the iPad. The cover is equipped with smart magnets, so that your iPad is ready to be used as soon as you open the case. For added convenience, the top of the Pango[ii] folds open—providing an excellent typing position and can be set upright for watching videos.
