Fashion Audio
Earphones for Women Only

Turquoise Blue

Uniquely fitted for women's ears

Better fit for women's smaller ears means more comfort and more noise isolation, for a beautiful sound experience.

Fashion-Forward Design

Express your individual fashion-sense with your earphones. Taking cues from current fashion trends, Ice features electroplated tiffany earphones inset with crystals for just enough bling.

Beautiful Sound

As stunning on the inside as they are on the outside, Ice earphones have amazing full-range sound with enhanced bass. The smaller, personalized fit provides more noise isolation than regular sized headphones, which means a better sound experience overall.

Inline Remote and Mic

A convenient and seamless music-to-phone experience.

Fashioned to fit her.
Smaller earphones deliver true-to-performance sound.

Get unique jewelry styling and superior audio quality in noise-isolating earphones specifically designed for the woman's ear. Each ear piece is encircled with quality cut name-brand crystals and smaller, lightweight tiffany housing engineered to fit petite ear canals for long-wearing comfort. Proprietary micro drivers deliver gorgeous sound with deep bass response and crystal clear highs. Personalize your fit with 5 sizes of single and double-flange medical-grade silicon eartips that isolate outside noise interference and allow you to reduce your listening volume for healthy hearing.

Finally, jewelry earphones in her size with true-to-performance sound quality.
