

## USB Charging Stand with Removable Charging Stick For Tablets and Smartphones

MR-TS4008

### FEATURES

- Two fast charging USB ports each with 2.4 amp output + One portable USB charging stick (2600mAh) that provides pass-through charging when docked
- Supporting stand conveniently holds tablets and phones without having to take the case off the device
- Assorted stand grips optimize the fit for tablets with or without cases on
- Built-in phone cradle at the base
- Anti-slip feet for superior stability

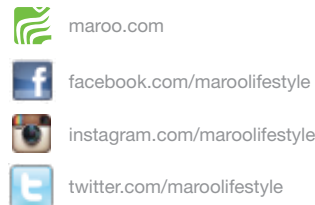

This sturdy USB charging stand has a weighted base with anti-slip feet and an anti-slip tray area to rest and charge your smartphone. Equipped with interchangeable silicone grips to get the right fit for your tablet. Soft stand padding keep your tablet secure while in use. Charging two devices at the same time has never been so quick and easy.
